

July 23, 2020

Dear Fellow BSBCCA Owners and Members,

### REMINDER --- MASKS

Wear them when you are moving about the pavilion --- when you are moving on the beach --- when you are standing in the 42-inch clear path at the cabana deck railings.

Remember back in March or April when it was suggested that the heat of the summer would probably kill the coronavirus? Obviously not true. Do your part — wear a mask.

### NEWS --- ENTERTAINMENT

- Saturday, July 25                      Steve Anthony & Persuasion
- Sunday, July 26                        The Complaints
- Remember . . .
  - Both Saturday and Sunday Entertainment are from 4pm to 8pm
  - There will be no dance floor.
  - Every attendee must wear a mask except when seated
  - Every attendee must have a seat.
  - When capacity is reached, no one else will be allowed in the Pit.

### REMINDER --- BAR

Remember that there can be absolutely **no standing or congregating at either the Pit Bar or the Bistro Bar**. You may, however, sit at a barstool. And you may order a drink from the grab-and-go stations at the Pit Bar and then disperse.

### NEWS --- PIZZA CLUB

The Pit Grille, the Pizza Bar, and the Ice Cream Bar all continue to serve you every day. And the Bistro is open five evenings per week. The fact that members are going to these venues in droves tells us how much you like them.

And now, Chef Kevin has come up with a way for you to like the Pizza Bar even more. He is starting a Pizza Club ---- for every five pizzas that you buy, you get the sixth one free! You will receive a ticket at the order window and it will be punched every time you order a pizza. Now this is an offer you can't refuse!

And one more interesting detail. Chef Kevin makes his own dough fresh every day ---- sometimes twice a day.

### REMINDER --- 42-INCH TRAVEL LANE

Remember that there must be a 42-inch unobstructed path along the railing of the cabana decks that are around the pool, in the horseshoe, and in the square. No furniture or other objects can be placed in this pathway.

Moreover, if you are standing in that pathway --- whether or not you are moving ---- you must wear a mask.

### REMINDER --- CABANA DECKS / QUADS

We are still using the odd / even system for sitting / gathering in front of the cabanas. You can sit / gather in front of an even-numbered cabana on an even-dated day. And you can sit / gather in front of an odd-numbered cabana on an odd-dated day.

NOTE: The 3pm stipulation has been eliminated. When it's your day, it's your day.

### **NEWS --- THE CASE OF THE DISAPPEARING TABLES**

No, it's not a Nancy Drew Mystery.

In the Weekly Update of May 14, we notified you that furniture on the cabana decks must be stored inside the cabanas at night. Enough time has passed for the cabana owners to get accustomed to the idea. Henceforth, if the furniture is left on the deck, the cabana will be fined \$300 (also announced on May 14) and the furniture may be removed.

We have said from the outset that this would be a Season unlike any previous one. Policies have been implemented for the safety of all the members. Everyone has to make compromises and sacrifices for the betterment of the entire Beach Club Community.

### **REMINDER --- SANDCASTLE CONTEST**

We will have our annual Sandcastle Contest on Sunday, August 2<sup>nd</sup>. As always, teams may begin working at 8am at the western end of our beach just past the horseshoe area. Judging will be at noon. We're looking forward to some great creations! Good luck, everyone!

### **NEWS --- MOVIE NIGHT**

We will have a Movie Night in the Pit on Friday, August 14. The feature will be Abominable (rated PG). This may be the only one of the Season, so don't miss it!

### **NEWS --- SURFING AND PADDLE-BOARDING**

Henceforth, surfing will be restricted to the east end of our property. Please be careful to stay on our property --- that is to say on this side of the stream. Please do not venture into the area of the stream because that is not our property.

Paddle-boarders may launch and return to shore at both ends of our property. Again, please be sure to stay on our property --- that is to say on this side of the stream at the east end and just past the live-in units on the west end.

### **NEWS --- UNACCEPTABLE CONDUCT**

It's very disheartening to have to say that verbal abuse of the Staff in the Pit on Sunday afternoons has become an issue. It has escalated to such a point that we will have a Police presence in the Pit this Sunday.

What the heck is going on? Have we lost all sense of appropriate conduct? What happened to decorum? Verbal abuse is completely unacceptable. Please stop this nonsense.

### **REMINDER --- PHASE 2 OF SEWER PROJECT**

We hope to have a Phase 2 Sewer Budget completed by late August and to have a Budget Meeting for ratification of the Sewer Budget in late September or early October. The next Sewer Assessment will be invoiced shortly thereafter. Prompt payment of your next sewer assessment will be critical as we will be nearing the end of the project. Please plan accordingly.
